

Kunihiro Take

SC MAKITA EU SRL

<http://www.makita.ro>

Bilateral Meetings

- Wednesday 17th October 13:00 - 17:00

Description

Manufacturer of power tools

Organization Type

Producer

Email

k.take@mrmakita.eu

Country

Japan

City

Ilfov, Blvd. I.C.Bratianu no. 164 [Google map](#)

Areas of Activities

Production

Request

Switch

Material: electrical

Request

Controller

Material: Electrical

Request

Battery, Battery -Charger

size: Li-Ion; Ni-MH: 12V 14V 18V, materials:Electrical

Request

Steel coil

size: S50, N55, S55, N94, S95

42CrMo4 / C45

materials: Steel (Raw material), standards: JIS /DIN

Request

Plastic components:

Size:

100x100x100

Materials: plastic

standards: JIS, DIN, EN etc.

Request

Small parts - cold forging piston cylinder (Cold forging; turning

Size: Dia. Max \varnothing 45 x

150mm length

Materials: Alloy steel: ISO 34CrMo4: JIS SCM420: 42CrMo4, standards: JIS GB ISO EN

Request

Cylinder , tool holder -

size: Dia. Max \varnothing 40x

150mm length

materials: *alloy steel GB20CrMo: ISO 18CrMo4: JIS SCM420, standards: JIS GB

Request

Spiral Bevel Gear, Helical Gear (Machining)

Size: Dia. Max \varnothing 50

Module.max. $m < 2.0$

Materials: *Alloy steels (20CrMo), Standards: GB etc.

Request

Stamped parts Metal sheet (stamping)

Size: 246x123x1.6 mm

19x24x2.3mm, materials SPCC, DC01, SK5, BJS20, standards: JIS, DIN, GB, EN
