## Bilateral Meetings

- Wednesday 17th October 13:00 - 17:00

### Description

Within our company are manufactured high quality rubber boots (safety, working, fashion, as well as rubber boots for hunting and fishing); technical rubber goods (rubber profiles and hoses, flexy hoses, products for mining, shipbuilding, automotive and aviation industry) balls and sports equipment and products made from recycled rubber. In the factory of chemical products are especially prominent polyurethane flooring, primarily intended for companies with the HACCP standards, as well as various types of adhesives. Product quality is in line with EU standards and the key product groups are certified by the leading international accreditation institutions. Quality and environmental protection policies are incorporated into the fundamentals of the business policy and are fully implemented in compliance with the standards ISO 9001, ISO 14001 and ISO 18001. Our company is a leader in the production of rubber footwear in the region.
